

MARQUÊS DE ALMEIDA White 2019

GRAPES

Selected grapes from an old vine, Santa Maria in Vermiosa, on Beira Interior.

HARVEST

The year 2019 was a dry year characterized by a cold Winter, a warm Spring and a mild Summer, with some occasional peaks of high temperatures during the Summer. These conditions produced grapes with great aromatic expression and balanced alcohol levels that gave rise to optimal-quality wines. We had an exceptional harvest in Beira Interior.

VINIFICATION

The wine is vinified in the Winery of our Quinta das Marvalhas in Almendra, in the heart of the Douro Superior. Our winery is equipped with the latest technology and enables complete control of temperature, essential for our region of extreme climates.

After grapes arrive at the winery, we eliminate clusters which are not in perfect condition following total destemming, smooth crushing and skin maceration for about 12 Hours. After this period in inert atmosphere, pressing takes place in a pneumatic press. The wines are clarified for 24 to 48 hours, depending on the variety and state of ripeness of the grapes. Hyper-reduction pre-fermentative followed by alcoholic fermentation at 13°C.

TASTING NOTES

An elegant and fresh wine, well balanced, with stone fruit notes on the nose and a crispy long finish on the pallet.

Ideal with grilled fish, hearty salads and soft past cheese or just as an aperitive.

Serve slightly chilled between 8 and 12°.
